THE COLUMBUS GROVE SALE

WEDNESDAY, OCTOBER 15, 1947

17 BULLS - - - 44 FEMALES

Conner's Keystone Ransom is the excellent breeding bull in the Tudor Bros.' herd. Notice the good head, substance, bone and modern type displayed by this bull. He is typical of the many herd bulls in service in the Columbus Grove area. In this sale buyers will have the opportunity to buy rich breeding and the get and service of famous herd sires.

FORWORD

Once again the members of the Columbus Grove Shorthorn Breeders' Association offer their top productions. Without a doubt this is the best offering of Shorthorns both in quantity and quality in the history of this enterprising association. We take pride in presenting this collection of cattle to the public and sincerely hope that breeders who are in need of the real improving kind will take advantage of this buying opportunity. (Never before has as much popular breeding been assembled and of course the get and service of the many outstanding young herd bulls in service in Ohio herds is an added feature). The offering contains a pleasing variety of blood-lines and the cattle are extremely uniform in type and quality. Study this catalog thoroughly and then make plans to attend the sale. You will find the kind of cattle that will work improvement wherever they go and that will add prestige to the Shorthorn breed. We hope you will be with us on October 15th.

GENERAL INFORMATION

Time—The sale will be held on Wednesday, October 15, 1947 at 12:30 p.m.

Location—The Robert Tudor farm is one mile east and one mile south of Vaughnsville, Ohio. Vaughnsville is at the junction of State Highways 12 and 115. It is twelve miles north of Lima on Highway 115 and six miles west of Columbus Grove on Highway 12. From Delphos, Ohio, take U. S. Highway 30 northeastward to Highway 12, then six miles east on 12 to Vaughnsville.

Headquarters—The Argonne Hotel at Lima, Ohio, will be headquarters before the sale. Transportation will be furnished from the Hotel to the sale in the morning and back to the Hotel after the sale.

Guarantee—The guarantee recognized by The American Shorthorn Breeders' Association will cover the cattle sold in this sale. Every animal has passed a test for T. B. and Bang's disease and health certificates will be furnished for interstate shipment.

Bids—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Ed Huff of The Shorthorn World, 16 South Locust St., Aurora, Illinois; to C. K. Tomson, Secretary of the American Shorthorn Breeders' Association, 7 Dexter Park Ave., U. S. Yards, Chicago, Illinois; to the auctioneers; to the sale manager; or to any of the consignors.

Pedigrees—A certificate of registration in the American Shorthorn Breeders' Association herd books will be furnished with each lot sold and the certificate will be transferred to the buyer without cost to him. Applications for registry, properly signed, will be furnished for each calf sold at foot beside its dam and for each unborn calf sold in dam.

Footnotes in this catalog were furnished by the consignor or written from information supplied by the consignors.

Note—We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

**Standard Guarantee of American Shorthorn
Breeders' Association**

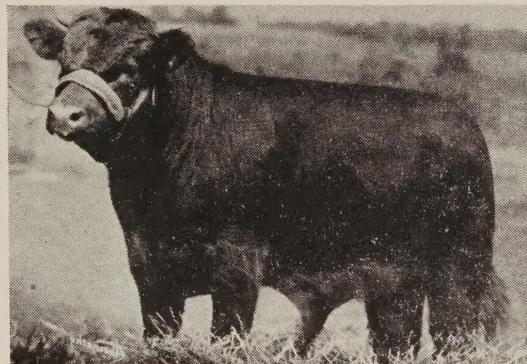

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of the date of purchase or by the time the bull is twenty months of age if purchased under fourteen months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

AUCTIONEERS—Jack Halsey and Paul Good
